

IN THE MATTER OF AUTHORIZING THE APPLICATION FOR A COMMUNITY RENEWABLE ENERGY GRANT)) RESOLUTION NO. 3-2023)

WHEREAS, Oregon Department of Energy (ODOE) is offering grants of up to \$1 million for constructing community renewable energy and energy resilience projects; and

WHEREAS, the General Services Department desires to participate in this grant program to the greatest extent possible as a means of providing energy savings and resilience for the proposed remodel of the John Gumm Building; and

WHEREAS, if this application is successful this grant would provide sufficient funds for the installation of a solar array on battery storage to serve the John Gumm building, thereby providing increased resiliency for County operations; and

WHEREAS, it is estimated that the use of a solar array would reduce energy cost for the operation of the remodeled John Gumm building by 50%.

NOW, THEREFORE, IT IS HEREBY RESOLVED:

1. The Board of Commissioners for Columbia County supports and authorizes the submittal of an application to Oregon Department of Energy for a Community Renewable Energy Grant; and
2. The Director of the Columbia County General Services Department is hereby authorized to sign on behalf of the County all documents necessary to make application for this Grant.
