Project Number: B23002

This interim financing contract ("Contract"), dated as of the date the Contract is fully executed, is made by the State of Oregon, acting by and through its Oregon Infrastructure Finance Authority of the Oregon Business Development Department ("OBDD"), and Columbia County, Oregon ("Recipient") for financing of the project referred to above and described in Exhibit C ("Project"). This Contract becomes effective only when fully signed and approved as required by applicable law. Capitalized terms not defined in section 1 and elsewhere in the body of the Contract have the meanings assigned to them by Exhibit A.

This Contract includes the following exhibits, listed in descending order of precedence for purposes of resolving any conflict between two or more of the parts:

Exhibit A	General Definitions
Exhibit B	Security
Exhibit C	Project Description
Exhibit D	Project Budget

**SECTION 1 - KEY TERMS**

The following capitalized terms have the meanings assigned below.

"Estimated Project Cost" means \$13,013,829.

"Interest Rate" means 3.29% per annum.

"Loan Amount" means \$6,049,800.

"Maturity Date" means the earlier of 3 years plus 90 days after the date of this Contract, or the receipt of Refunding Proceeds by either party.

"Project Closeout Deadline" means 90 days after the earlier of the Project Completion Date or the Project Completion Deadline.

"Project Completion Deadline" means 36 months after the date of this Contract.

**SECTION 2 - FINANCIAL ASSISTANCE**

The OBDD shall provide Recipient, and Recipient shall accept from OBDD, a non-revolving loan (the "Loan") in an aggregate principal amount not to exceed the Loan Amount.

Notwithstanding the above, the aggregate total of Financing Proceeds disbursed under this Contract cannot exceed the Costs of the Project.

**SECTION 3 - DISBURSEMENTS**

- A. Reimbursement Basis. The Financing Proceeds will be disbursed to Recipient on an expense reimbursement or costs-incurred basis. The Recipient must submit each disbursement request for the Financing Proceeds on an OBDD-provided or OBDD-approved disbursement request form ("Disbursement Request").

- B. Financing Availability. The OBDD's obligation to make, and Recipient's right to request, disbursements under this Contract terminates on the Project Closeout Deadline.
- C. Payment to Contractors. The OBDD, in its sole discretion, may make direct payment to suppliers, contractors and subcontractors and others for sums due them in connection with construction of the Project, instead of reimbursing Recipient for those sums.

<b>SECTION 4 - LOAN PAYMENT; PREPAYMENT</b>
---

- A. Promise to Pay. The Recipient shall repay the Loan and all amounts due under this Contract in accordance with its terms. Payments required under this Contract are, without limitation, payable from the sources of repayment described in the Act and this Contract, including but not limited to Exhibit B, and the obligation of Recipient to make all payments is absolute and unconditional. Payments will not be abated, rebated, set-off, reduced, abrogated, terminated, waived, postponed or otherwise modified in any manner whatsoever. Payments cannot remain unpaid, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project, commercial frustration of purpose, any change in the laws, rules or regulations of the United States of America or of the State of Oregon or any political subdivision or governmental authority, nor any failure of OBDD to perform any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with the Project or this Contract, or any rights of set off, recoupment, abatement or counterclaim that Recipient might otherwise have against OBDD or any other party or parties; provided further, that payments hereunder will not constitute a waiver of any such rights.
- B. Interest. Interest accrues at the Interest Rate on each disbursement from the date of disbursement until the Loan is fully paid. Interest is computed on the basis of a 360-day year.
- The Recipient authorizes OBDD to calculate interest accrued under the Loan, including as necessary to determine the loan amortization schedule, a loan prepayment, or a loan payoff amount. Absent manifest error, such calculations will be conclusive.
- C. Loan Payment. The entire outstanding balance of the Loan, including all accrued unpaid interest, is due and payable in full on the Maturity Date.
- D. Loan Prepayments.
- (1) Mandatory Prepayment. The Refunding Proceeds shall be applied to repay the outstanding balance of the Loan. Further, Recipient shall prepay all or part of the outstanding balance of the Loan as may be required by this Contract.
  - (2) Optional Prepayment. The Recipient may prepay all or part of the outstanding balance of the Loan on any day except a Saturday, Sunday, legal holiday or day that banking institutions in Salem, Oregon are closed.
- E. Application of Payments. Regardless of any designation by Recipient, payments and prepayments by Recipient under this Contract or any of the Financing Documents will be applied first to any expenses of OBDD, including but not limited to attorneys' fees, then to unpaid accrued interest (in the case of prepayment, on the amount prepaid), then to the principal of the Loan. In the case of a Loan prepayment that does not prepay all the principal of the Loan, OBDD will determine, in its sole discretion, the method for how the Loan prepayment will be applied to the outstanding principal payments. A scheduled payment received before the scheduled repayment date will be applied to

interest and principal on the scheduled repayment date, rather than on the day such payment is received.

**SECTION 5 - CONDITIONS PRECEDENT**

- A. Conditions Precedent to OBDD's Obligations. The OBDD's obligations are subject to the receipt of the following items, in form and substance satisfactory to OBDD and its Counsel:
- (1) This Contract duly signed by an authorized officer of Recipient.
  - (2) A copy of the ordinance, order or resolution of the governing body of Recipient authorizing the borrowing and the contemplated transactions and the execution and delivery of this Contract and the other Financing Documents.
  - (3) An opinion of Recipient's Counsel.

  - (3) The OBDD, in the reasonable exercise of its administrative discretion, has sufficient moneys in the Special Public Works Fund for use in the Project and has sufficient funding, appropriations, limitations, allotments and other expenditure authority to make the disbursement.
  - (4) The Recipient has delivered to OBDD (in form and substance satisfactory to OBDD) an estimated schedule of Disbursement Requests for Project design, including anticipated number, submission dates, and amounts and, prior to the beginning of Project construction, an estimated schedule of Disbursement Requests for construction, including anticipated number, submission dates, and amounts.
  - (5) The OBDD (a) has received a completed Disbursement Request, (b) has received any written evidence of materials and labor furnished to or work performed upon the Project, itemized receipts or invoices for payment, and releases, satisfactions or other signed statements or forms as OBDD may require, (c) is satisfied that all items listed in the Disbursement Request are reasonable and that the costs for labor and materials were incurred and are properly included in the Costs of the Project, and (d) has determined that the disbursement is only for costs defined as eligible costs under the Act and any implementing administrative rules and policies.
  - (5) The Recipient has delivered documentation satisfactory to OBDD that, in addition to the Financing Proceeds, Recipient has available or has obtained binding commitments for all funds necessary to complete the Project.
  - (6) The Recipient has delivered documentation satisfactory to OBDD that Recipient's Loan Repayment Fund has an available fund balance of not less than one hundred twenty percent (120%) of the annual debt service due in the fiscal year on the Loan.
  - (7) Any conditions to disbursement elsewhere in this Contract or in the other Financing Documents are met.

**SECTION 6 - USE OF FINANCIAL ASSISTANCE**

- A. Use of Proceeds. The Recipient shall use the Financing Proceeds only for the activities described in Exhibit C and according to the budget in Exhibit D. The Recipient may not transfer Financing Proceeds among line items in the budget without the prior written consent of OBDD.
- B. Costs of the Project. The Recipient shall apply the Financing Proceeds to the Costs of the Project in accordance with the Act and Oregon law, as applicable. Financing Proceeds cannot be used for costs in excess of one hundred percent (100%) of the total Costs of the Project and cannot be used for pre-Award Costs of the Project, unless permitted by Exhibit C.
- C. Costs Paid for by Others. The Recipient may not use any of the Financing Proceeds to cover costs to be paid for by other financing for the Project, whether from OBDD or from another State of Oregon agency or any third party.

**SECTION 7 - REPRESENTATIONS AND WARRANTIES OF RECIPIENT**

The Recipient represents and warrants to OBDD:

- A. Estimated Project Cost, Funds for Repayment. A reasonable estimate of the Costs of the Project is shown in section 1, and the Project is fully funded. The Recipient will have adequate funds available to repay the Loan, and the Maturity Date does not extend beyond the usable life of the Project. As of the initial disbursement under this Contract, the Recipient's Loan Repayment Fund has an available fund balance of not less than \$1,791,125.
- B. Organization and Authority.
- (1) The Recipient is a Municipality under the Act, and validly organized and existing under the laws of the State of Oregon.
  - (2) The Recipient has all necessary right, power and authority under its organizational documents and under Oregon law to (a) execute and deliver this Contract and the other Financing Documents, (b) incur and perform its obligations under this Contract and the other Financing Documents, and (c) borrow and receive financing for the Project.
  - (3) This Contract and the other Financing Documents executed and delivered by Recipient have been authorized by an ordinance, order or resolution of Recipient's governing body, and voter approval, if necessary, that was adopted in accordance with applicable law and requirements for filing public notices and holding public meetings.
  - (4) This Contract and the other Financing Documents have been duly executed by Recipient, and when executed by OBDD, are legal, valid and binding, and enforceable in accordance with their terms.
- C. Full Disclosure. The Recipient has made no false statements of fact, nor has it omitted information necessary to prevent any statements from being misleading. The information contained in this Contract and the other Financing Documents is true and accurate in all respects.
- D. Pending Litigation. The Recipient has disclosed in writing to OBDD all proceedings pending (or to the knowledge of Recipient, threatened) against or affecting Recipient, in any court or before any governmental authority or arbitration board or tribunal, that, if adversely determined, would

materially adversely affect the Project or the ability of Recipient to make all payments and perform all obligations required by this Contract and the other Financing Documents.

E. No Events of Default.

- (1) No Events of Default exist or occur upon authorization, execution or delivery of this Contract or any of the Financing Documents.
- (2) The Recipient has not violated, and has not received notice of any claimed violation of, any agreement or instrument to which it is a party or by which the Project or its property may be bound, that would materially adversely affect the Project or the ability of Recipient to make all payments and perform all obligations required by this Contract and the other Financing Documents.

F. Compliance with Existing Agreements and Applicable Law. The authorization and execution of, and the performance of all obligations required by, this Contract and the other Financing Documents will not: (i) cause a breach of any agreement, indenture, mortgage, deed of trust, or other instrument, to which Recipient is a party or by which the Project or any of its property or assets may be bound; (ii) cause the creation or imposition of any third party lien, charge or encumbrance upon any property or asset of Recipient; (iii) violate any provision of the charter or other document pursuant to which Recipient was organized or established; or (iv) violate any laws, regulations, ordinances, resolutions, or court orders related to Recipient, the Project or its properties or operations.

<b>SECTION 8 - COVENANTS OF RECIPIENT</b>
---

The Recipient covenants as follows:

A. Notice of Adverse Change. The Recipient shall promptly notify OBDD of any adverse change in the activities, prospects or condition (financial or otherwise) of Recipient or the Project related to the ability of Recipient to make all payments and perform all obligations required by this Contract or the other Financing Documents.

B. Compliance with Laws. The Recipient shall comply with all applicable laws, rules, regulations and orders of any court or governmental authority that relate to this Contract or the other Financing Documents, and the Project. In particular, but without limitation, Recipient shall comply with the following, as applicable:

- (1) State procurement regulations found in the Oregon Public Contracting Code, ORS chapters 279A, 279B and 279C.
- (2) State labor standards and wage rates found in ORS chapter 279C.
- (3) OAR 123-042-0165 (5 requirements for signs and notifications.

These laws, rules, regulations and orders are incorporated by reference in this Contract to the extent required by law.

C. Project Completion Obligations. The Recipient shall:

- (1) Provide OBDD with copies of all plans and specifications relating to the Project, and a timeline for the bidding/award process, at least ten (10) days before advertising for bids.

- (2) Provide a copy of the bid tabulation, notice of award, and contract to OBDD within ten (10) days after selecting a construction contractor.
  - (3) Permit OBDD to conduct inspection of the Project at any time.
  - (4) Complete the Project using its own fiscal resources or money from other sources to pay for any Costs of the Project in excess of the total amount of financial assistance provided pursuant to this Contract.
  - (5) Complete the Project no later than the Project Completion Deadline, unless otherwise permitted by OBDD in writing.
  - (6) Obtain and maintain as-built drawings for all facilities constructed as part of the Project.
- D. Ownership of Project. During the term of the Loan, the Project is and will continue to be owned by Recipient. The Project will be operated by Recipient or by a person under a management contract or operating agreement with Recipient.
- E. Operation and Maintenance of the Project. The Recipient shall operate and maintain the Project in good repair and operating condition so as to preserve the long term public benefits of the Project, including making all necessary and proper repairs, replacements, additions, and improvements during term of the Loan. On or before the Project Closeout Deadline, Recipient shall adopt a plan acceptable to OBDD for the on-going operation and maintenance of the Project without reliance on OBDD financing and furnish OBDD, at its request, with evidence of such adoption. The plan must include measures for generating revenues sufficient to assure the operation and maintenance of the Project during the usable life of the Project.
- F. Insurance, Damage. The Recipient shall maintain, or cause to be maintained, insurance policies with responsible insurers or self-insurance programs, insuring against liability and risk of direct physical loss, damage or destruction of the Project, at least to the extent that similar insurance is customarily carried by governmental units constructing, operating and maintaining similar facilities. Nothing in this provision precludes Recipient from asserting a defense against any party other than OBDD, including a defense of immunity. If the Project or any portion is destroyed, any insurance proceeds will be paid to OBDD and applied to prepay the outstanding balance on the Loan in accordance with section 4.D.(1), unless OBDD agrees in writing that the insurance proceeds may be used to rebuild the Project.
- G. Sales, Leases and Encumbrances. Except as specifically described in Exhibit D, Recipient shall not sell, lease, exchange, abandon, transfer or otherwise dispose of any substantial portion of or interest in the Project or any system that provides revenues for payment or is security for the Loan, unless worn out, obsolete, or, in the reasonable business judgment of Recipient, no longer useful in the operation of the Project. Nevertheless, OBDD may consent to such disposition if it has received 90 days' prior written notice from Recipient. Such consent may require assumption by transferee of all of Recipient's obligations under the Financing Documents and payment of OBDD's costs related to such assumption. In the case of sale, exchange, transfer or other similar disposition, Recipient shall, within 30 days of receipt of any proceeds from such disposition, prepay the entire outstanding balance on the Loan in accordance with section 4.D.(1), unless OBDD agrees otherwise in writing. If Recipient abandons the Project, Recipient shall prepay the entire outstanding balance of the Loan immediately upon demand by OBDD.
- H. Condemnation Proceeds. If the Project or any portion is condemned, any condemnation proceeds will be paid to OBDD and applied to prepay the outstanding balance of the Loan in accordance with section 4.D.(1).

- I. Financial Records. The Recipient shall keep accurate books and records for the revenues and funds that are the source of repayment of the Loan, separate and distinct from its other books and records, and maintain them according to generally accepted accounting principles established by the Governmental Accounting Standards Board in effect at the time. The Recipient shall have these records audited annually by an independent certified public accountant, which may be part of the annual audit of all records of Recipient.
- J. Inspections; Information. The Recipient shall permit OBDD and any party designated by OBDD: (i) to inspect, at any reasonable time, the property, if any, constituting the Project; and (ii) at any reasonable time, to inspect and make copies of any accounts, books and records, including, without limitation, its records regarding receipts, disbursements, contracts, investments and any other related matters, and financial statements or other documents related to its financial standing. The Recipient shall supply any related reports and information as OBDD may reasonably require. In addition, Recipient shall, upon request, provide OBDD with copies of loan documents or other financing documents and any official statements or other forms of offering prospectus relating to any other bonds, notes or other indebtedness of Recipient that are issued after the date of this Contract.
- K. Records Maintenance. The Recipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Contract, the Project or the Financing Proceeds for a minimum of six years, or such longer period as may be required by other provisions of this Contract or applicable law, following the Project Closeout Deadline. If there are unresolved issues at the end of such period, Recipient shall retain the books, documents, papers and records until the issues are resolved.
- L. Economic Benefit Data. The OBDD may require Recipient to submit specific data on the economic development benefits of the Project and other information to evaluate the success and economic impact of the Project, from the date of this Contract until six years after the Project Completion Date. The Recipient shall, at its own expense, prepare and submit the data within the time specified by OBDD.
- M. Disadvantaged Business Enterprises. ORS 200.090 requires all public agencies to “aggressively pursue a policy of providing opportunities for disadvantaged business enterprises, minority-owned businesses, woman-owned businesses, businesses that service-disabled veterans own and emerging small businesses...” The OBDD encourages Recipient in any contracting activity to follow good faith efforts as described in ORS 200.045, available at [https://www.oregonlegislature.gov/bills\\_laws/ors/ors200.html](https://www.oregonlegislature.gov/bills_laws/ors/ors200.html). Additional resources are provided by the Governor’s Policy Advisor for Economic and Business Equity. Also, the Certification Office for Business Inclusion and Diversity at the Oregon Business Development Department maintains a list of certified firms and can answer questions. Search for certified MWESB firms on the web at: <https://oregon4biz.diversitysoftware.com/FrontEnd/SearchCertifiedDirectory.asp?XID=2315&TN=oregon4biz>.
- N. Professional Responsibility. A professional engineer or architect, as applicable, registered and in good standing in Oregon, will be responsible for the design and construction of the Project. All service providers retained for their professional expertise must be certified, licensed, or registered, as appropriate, in the State of Oregon for their specialty. The Recipient shall follow standard construction practices, such as bonding requirements for construction contractors, requiring errors and omissions insurance, and performing testing and inspections during construction.
- O. Notice of Default. The Recipient shall give OBDD prompt written notice of any Default as soon as Recipient becomes aware of its existence or reasonably believes a Default is likely.
- P. : Contributory Liability and Contractor Indemnification.

- (1) If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 (“Third Party Claim”) against a party (the “Notified Party”) with respect to which the other party may have liability, the Notified Party must promptly notify the other party in writing and deliver a copy of the claim, process, and all legal pleadings related to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. The foregoing provisions are conditions precedent for either party’s liability to the other in regards to the Third Party Claim.

If the parties are jointly liable (or would be if joined in the Third Party Claim), the parties shall contribute to the amount of expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable in such proportion as is appropriate to reflect their respective relative fault. The relative fault of the parties shall be determined by reference to, among other things, the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Each party’s contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if that party had sole liability in the proceeding. This Section shall survive termination of this Contract.

- (2) Recipient shall take all reasonable steps to require its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents (“Indemnitee”) from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys’ fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Recipient’s contractor or any of the officers, agents, employees or subcontractors of the contractor (“Claims”). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims. This Section shall survive termination of this Contract.

Q. **Further Assurances.** The Recipient shall, at the request of OBDD, authorize, sign, acknowledge and deliver any further resolutions, conveyances, transfers, assurances, financing statements and other instruments and documents as may be necessary or desirable for better assuring, conveying, granting, assigning and confirming the rights, security interests and agreements granted or intended to be granted by this Contract and the other Financing Documents.

#### SECTION 9 - DEFAULTS

- B. The Recipient fails to make, or cause to be made, any required payments of principal, redemption premium, or interest on any bonds, notes or other material obligations, for any other loan made by the State of Oregon.
- C. Any false or misleading representation is made by or on behalf of Recipient in this Contract, in any other Financing Document or in any document provided by Recipient related to this Loan or the Project.

- D. - E. The Recipient defaults under any other Financing Document and fails to cure such default within the applicable grace period.
- F. The Recipient fails to perform any obligation required under this Contract, other than those referred to in subsections A through E of this section 9, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Recipient by OBDD. The OBDD may agree in writing to an extension of time if it determines Recipient instituted and has diligently pursued corrective action.

<b>SECTION 10 - REMEDIES</b>
------------------------------

- A. **Remedies.** Upon any Event of Default, OBDD may pursue any or all remedies in this Contract or any other Financing Document, and any other remedies available at law or in equity to collect amounts due or to become due or to enforce the performance of any obligation of Recipient. - C. No Remedy Exclusive; Waiver; Notice. No remedy available to OBDD is intended to be exclusive, and every remedy will be in addition to every other remedy. No delay or omission to exercise any right or remedy will impair or is to be construed as a waiver of such right or remedy. No single or partial exercise of any right power or privilege under this Contract or any of the Financing Documents will preclude any other or further exercise thereof or the exercise of any other such right, power or privilege. The OBDD is not required to provide any notice in order to exercise any right or remedy, other than notice required in section 9 of this Contract.
- D. Default by OBDD. In the event OBDD defaults on any obligation in this Contract, Recipient's remedy will be limited to injunction, special action, action for specific performance, or other available equitable remedy for performance of OBDD's obligations.

- B. Relationship of Parties; Successors and Assigns; No Third Party Beneficiaries.

Any approved assignment is not to be construed as creating any obligation of OBDD beyond those in this Contract or other Financing Documents, nor does assignment relieve Recipient of any of its duties or obligations under this Contract or any other Financing Documents.
  - (5) The Recipient hereby approves and consents to any assignment, sale or transfer of this Contract and the Financing Documents that OBDD deems to be necessary.
- C. Disclaimer of Warranties; Limitation of Liability. The Recipient agrees that:
- (1) The OBDD makes no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for any use of the Project or any portion of the Project, or any other warranty or representation.
  - (2) The liability of the OBDD under this Contract is contingent upon the availability of moneys in the Special Public Works Fund for use in the project, and in no event are OBDD or its agents liable or responsible for any direct, indirect, incidental, special, consequential or punitive damages in connection with or arising out of this Contract or the existence, furnishing, functioning or use of the Project.

Any communication or notice by personal delivery will be deemed effective when actually delivered to the addressee. Any communication or notice so addressed and mailed will be deemed to be received and effective five (5) days after mailing. Any communication or notice given by email becomes effective 1) upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system or 2) the recipient's confirmation of receipt, whichever is earlier. - E. No Construction against Drafter. This Contract is to be construed as if the parties drafted it jointly.
- F. Severability. If any term or condition of this Contract is declared by a court of competent jurisdiction as illegal, invalid or unenforceable, that holding will not invalidate or otherwise affect any other provision.
- G. Amendments, Waivers. This Contract may not be amended without the prior written consent of OBDD (and when required, the Department of Justice) and Recipient. This Contract may not be amended in a manner that is not in compliance with the Act. Any party bringing a legal action or proceeding against any other party arising out of or relating to this Contract shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of

Oregon. This paragraph applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon’s sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

<b>EXHIBIT C - PROJECT DESCRIPTION</b>
--

**Project Background:**

Recipient's administrative offices and Columbia County Circuit Court share space in the original Columbia County Courthouse and the Courthouse Annex. These two buildings have proven insufficient to the county's needs. In 2021, Recipient purchased the John Gumm Building, a two-story former school with space for its current county offices, as well as additional room for growth.

In addition to the structural improvements, Recipient will also replace electrical, HVAC, and lighting systems to meet or exceed current building code requirements.

**Project Description**

Recipient will modernize and revitalize the historic John Gumm Building to accommodate Recipient's growing needs, including administrative offices, an economic development office, public outreach offices, public auditorium space, and a museum. The work will include modifications to site and architectural elements; restoration of the building envelope and other major structural improvements; seismic framing upgrades, and upgrades to electrical, lighting, and HVAC systems.
